MESSAGE FROM VICE CHANCELLOR

It gives me immense pleasure to extend a warm welcome on behalf of Gurugram University. We are deeply committed to nurturing talent, fostering innovation, and preparing our students to meet the evolving demands of the professional world.

Gurugram University strives to focus on streamlining our academic and administrative processes to enhance student welfare, employability, and holistic development. Our goal is to equip students not only with academic excellence but also with the professional ethics, practical exposure, and technical proficiency required to excel in today's competitive environment.

Situated in Gurugram—India's second-largest IT hub and a dynamic centre for finance, banking, healthcare, and emerging technologies—the University offers the unique advantage of industry proximity. This enables us to build strong collaborations with leading organizations, facilitating internships, training, and placement opportunities for our students.

We strive to create a vibrant ecosystem that encourages experiential learning, innovation, and leadership. Our transparent, student-centric administration and conducive learning environment ensure that every learner is empowered to realize their full potential.

I take great pride in presenting our students—driven, skilled, and ready to contribute meaningfully to the corporate world. We look forward to building enduring relationships with our industry partners and shaping a future of shared success.

Prof. Sanjay Kaushik
Vice-Chancellor,
Gurugram University,
Gurugram

MESSAGE FROM REGISTRAR

It is my privilege to welcome potential recruiters to the Gurugram University Placement Program. At Gurugram University, we believe in equipping students with knowledge, creativity, and professional ethics to meet the evolving demands of industry and society. Through quality education, research initiatives, and strong industry collaborations, our graduates are prepared to face real-world challenges and contribute meaningfully to organizational and national development.

The Placement Cell, supported by our dedicated faculty, continually strives to foster meaningful partnerships with industries and create opportunities that shape successful professional journeys. I am confident that our students will display the same dedication, innovation, and values that define Gurugram University wherever they go. I convey my best wishes to all students for their career prospects and to the recruiting partners for a productive and long-lasting association with Gurugram University.

Dr. Sanjay Arora

GURUGRAM UNIVERSITY

MESSAGE FROM CHAIRPERSON

It gives me great pleasure to welcome you to Gurugram University. Our unwavering commitment is to nurture capable, confident, and responsible professionals who are comprehensively equipped to meet the diverse challenges of a rapidly changing and demanding global world.

Since my association with the University, our primary focus has been on strengthening academic excellence, fostering a culture of innovation, and promoting holistic student development across all faculties. We aim to create a dynamic learning environment that seamlessly combines foundational knowledge with practical application, ensuring our students are genuinely industry-ready and future-focused from day one.

Located strategically in the heart of Gurugram—India's leading hub for technology, finance, and enterprise—the University naturally benefits from close industry connections. These vital linkages translate directly into valuable real-world exposure, structured internships, and superior placement opportunities for all our graduating students.

We take immense pride in shaping individuals who not only excel in their chosen careers but also contribute meaningfully and ethically to society. I extend my best wishes to our students as they embark on their professional journeys, encouraging them to always uphold the core values of integrity, competence, and innovation.

Wishing them continued success and substantial growth in all their future endeavors.

Dr. Kanupriya
Chairperson, Department of Law
Gurugram University, Gurugram

GURUGRAM UNIVERSITY

DIRECTOR- EMPLOYABILITY MESSAGE

It gives me immense pleasure to present the Training and Placement Brochure of Gurugram University. At Gurugram University, we believe that education is not confined to classrooms—it extends to developing skills, nurturing talent, and preparing students for the real-world challenges of the professional environment.

Our Training and Placement Cell strives to bridge the gap between academia and industry by providing students with comprehensive career development support through skill enhancement programs, internships, workshops, and placement drives. We are committed to empowering our students with employability skills, professional ethics, and the confidence required to excel in today's competitive world.

Located in the heart of Gurugram, a thriving hub of technology, innovation, and enterprise, our students enjoy unique exposure to leading industries and organizations. We take pride in our collaborations with reputed companies and our growing network of corporate partners who continue to recognize and value the potential of our students.

I extend my best wishes to all our students for a bright and successful future and express my sincere gratitude to our industry partners for their continued trust and support.

Dr. Charu Gandhi
Director Employability
Gurugram University,
Gurugram

TRAINING & PLACEMENT OFFICER MESSAGE

Welcome to the Training and Placement Office (TPO) of Gurugram University – where dreams and opportunities intertwine.

At Gurugram University, we believe education is more than acquiring knowledge; it is the foundation for building a future full of possibilities. The TPO plays a vital role in transforming this belief into reality by guiding students towards meaningful and rewarding careers.

We are dedicated to shaping professionals who can excel in today's fast-evolving world. Through focused training sessions, career counseling, and strong industry collaborations, we equip students with the right blend of skills, confidence, and exposure. Our mission is to bridge the gap between academia and industry, ensuring that every student is career-ready and future-focused.

With an emphasis on innovation, integrity, and excellence, we strive to ignite aspirations, fuel ambitions, and create new pathways to success. Together, let's embark on this journey of growth and discovery—turning aspirations into achievements and building a future full of opportunities.

FROM THE DESK OF THE PLACEMENT COORDINATOR

It is with great pride that I present the batch of 2025, who are ready to embark their professional journey. Having excelled not only in the academic sphere, but also in Mooting, ADR Competitions, Sports, and a variety of other fields, showcases that the students are embodiment of hard work, perseverance and enthusiasm. Their strive for excellence and dedication has taken our university to greater heights. My experience with the students over the years has inspired confidence in me that the batch of 2025 is equipped with keen intellect, insatiable curiosity, and an unwavering commitment which are indispensable qualities of a professional undertaking any endeavor. Their determination speaks a volume about their character and preparedness for the dynamic world. As the Placement Coordinator of TPC, I have witnessed Gurugram University hosting various recruiters, with students receiving offers from top law firms and offices in the country. I can testify that each student will be a valuable asset to any institution they join and will add to the vibrant tapestry of the legal profession.

Dr.Komal
Placement Coordinator,
Associate Professor, Department of Law
Gurugram University

FROM THE DESK OF CO-COORDINATOR PLACEMENT CELL

Dear Students and Esteemed Recruiters,

It is with great enthusiasm that I extend a warm welcome to you all on behalf of the Training and Placement Cell. To our students this is a significant phase in your academic journey. The bridge between education and professional life is built on preparation, passion, and purpose. The Placement Cell is committed to equipping you with the necessary skills, insights, and opportunities to help you make that transition confidently. Make the most of every session, every interaction, and every opportunity that comes your way. To our recruiters and industry partners we are grateful for your continued support and trust in our institution. Your collaboration not only provides our students with a platform to launch their careers but also inspires them to rise to the standards of excellence set by your organizations. We look forward to nurturing this partnership and creating more impactful engagements in the future. At TPC, we believe in aligning talent with opportunity. Together, let's shape a future filled with innovation, professionalism, and shared success.

Dr. Farhana
Placement Co-Coordinator,
Assistant professor, Department of Law
Gurugram University

GURUGRAM UNIVERSITY

"WHERE IT ALL STARTED"

Gurugram University, one of the youngest and fastest-growing state universities of Haryana, aspires to be a center of academic excellence and innovation. Established at the campus of Rao Tula Ram College of Science and Commerce, the University is located in Sector-51, Gurugram, spread across 11.5 acres of lush green surroundings.

Built on the twin pillars of Education and Research, the University fosters an environment where creativity and knowledge flourish. It is equipped with modern libraries, state-of-the-art laboratories, and is developing hostel, medical, transport, and residential facilities to provide world-class amenities.

With a vision to emerge as a global university, Gurugram University offers programs in diverse and cutting-edge fields such as Computer Science, Artificial Intelligence, Cyber Security, Law, Pharmacy, Physiotherapy, Nursing, and more.

In just a few years, the University has made remarkable progress — creating a transparent administration, advanced infrastructure, and a safe, student-friendly campus dedicated to character building, skill enhancement, and nation building.

GURUGRAM UNIVERSITY

INFRASTRUCTURE

CAMPUS

Gurugram University is strategically located in Gurugram, the vibrant corporate and technological hub often referred to as the "Millennium City" of India. The university's modern campus provides a dynamic environment that fosters innovation and professional growth, perfectly mirroring the city's fast-paced, high-tech ethos. Gurugram University features contemporary, well-equipped facilities, including smart classrooms with projectors, state-of-the-art laboratories, and a comprehensive central library designed to support advanced research and learning. The campus also provides excellent amenities such as sports facilities, seminar halls, and student common areas. With a strong emphasis on practical, industry-aligned education, Gurugram University leverages its location to offer students unparalleled opportunities for internships, industry interaction, and career placement in one of the country's leading economic centres.

CENTRAL LIBRARY

The library provides a serene and technologically-equipped environment for focused study. It features comfortable seating arrangements for a significant number of readers and is equipped with Wi-Fi connectivity. Access to its physical holdings is facilitated through a robust Online Public Access Catalogue (OPAC). Furthermore, the library offers extensive digital resources, including subscriptions to numerous e-databases, e-journals, and e-books, ensuring students have 24/7 access to global research and information from both within the campus and remotely. This seamless integration of physical and digital resources makes it a vital hub for intellectual growth.

GURUGRAM UNIVERSITY

SPORTS

The Gurugram University campus actively promotes holistic development through its dedicated sports facilities, including courts for Basketball, Volleyball, Badminton, and Table Tennis. By offering various indoor and outdoor athletic opportunities, the university fosters a culture of physical well-being, teamwork, and competitive spirit among students, crucial for their overall growth.

LABS

Gurugram University is equipped with state-of-the-art laboratories across its departments to provide students with essential hands-on experience and facilitate research. These modern labs, particularly in Sciences and Engineering, feature the latest equipment and specialized instruments. This ensures students can effectively conduct experiments and innovation-driven projects.

GURUGRAM UNIVERSITY

AUDITORIUM

The modern, air-conditioned auditorium at Gurugram University is the central venue for all major events. Equipped with advanced audio-visual systems and excellent acoustics, it is frequently used to host significant seminars, conferences, cultural performances, and university convocations, playing a key role in enriching the academic and social life of the campus.

CLASSROOMS

Gurugram University is transitioning to a fully digital learning environment with smart classrooms throughout the campus. These rooms are modernly designed and equipped with LCD/LED projectors, high-speed Wi-Fi, and interactive digital boards. This technology facilitates blended learning, e-content delivery, and virtual interaction, ensuring an engaging and future-ready educational experience for all students and faculty.

GURUGRAM UNIVERSITY

LEARNING OUTSIDE THE CLASSROOM

Beyond the classroom, our institution fosters holistic student development through a range of dynamic cells and committees that nurture both professional competence and personal growth. These bodies serve as platforms for students to apply their knowledge, develop practical skills, and engage meaningfully with the community.

LEGAL AID CLINIC

The **Legal Aid Clinic** reflects our commitment to social responsibility. Run by students under faculty supervision, the clinic provides free legal assistance to those in need, while also giving students real-world exposure to client interaction, legal drafting, and ethical lawyering.

Everyone deserves access to justice. Legal Aid is here to ensure that cost is never a barrier to understanding your rights, protecting your family, or securing your future. We provide free legal assistance to individuals and families facing civil legal challenges offering guidance, representation, and support when it matters most.

Whether you are dealing with housing issues, family concerns, employment problems, public benefits, or other civil legal matters, our team is committed to helping you navigate the legal system with confidence. Together, we work to promote fairness, dignity, and equal opportunity for all members of our community.

GURUGRAM UNIVERSITY

MOOT COURT COMMITTEE

Our **Moot Court Cell** is dedicated to honing advocacy skills and legal acumen. It organizes regular training sessions, internal moot competitions, and coordinates participation in national and international moots, enabling students to develop the critical thinking and articulation skills vital to a legal career.

The Moot Court Committee is dedicated to cultivating strong advocacy, research, and oral argument skills among law students. Through structured training, competitive opportunities, and hands-on mentorship, we help students develop the confidence and competence needed to excel in appellate advocacy.

Our committee organizes practice sessions, workshops, and intramural and intercollegiate competitions that challenge participants to think critically, argue persuasively, and engage deeply with complex legal issues. Whether you're a seasoned competitor or exploring moot court for the first time, we provide the guidance and support to help you grow.

Join us in building a community of skilled advocates prepared to meet the demands of real-world legal practice.

PLACEMENT CELL

The **Placement Cell** plays a central role in connecting students with promising career opportunities. Through strategic industry outreach, skill-building initiatives, and seamless coordination of placement drives, the cell ensures that students are well prepared and positioned to enter the professional world with confidence.

The Placement Cell serves as a vital bridge between students and the professional world. Our mission is to equip students with the skills, confidence, and opportunities they need to launch successful careers. Through training programs, career counseling, and industry outreach, we work to enhance employability and prepare students for the competitive job market.

We collaborate with leading organizations to host recruitment drives, internships, seminars, and skill development workshops. By fostering strong industry relationships and understanding evolving employer expectations, the Placement Cell ensures that students are well-positioned to pursue meaningful career paths.

Dedicated to guiding students at every stage of their professional journey, we strive to create an environment where talent meets opportunity.

GURUGRAM UNIVERSITY, GURUGRAM
(A State Govt. University Established under Haryana Act 17 of 2017)

DEPARTMENT OF LAW

organises

WORKSHOP

CV BUILDING

FINE ARTS CLUB

Fine Arts celebrates creativity, expression, and the power of imagination. Rooted in tradition yet constantly evolving, it encompasses diverse forms such as painting, sculpture, music, dance, theatre, and visual design. Through Fine Arts, we explore human emotion, cultural identity, and the stories that shape our world.

Our program encourages students to develop their artistic voice while mastering essential techniques and cultivating critical thinking. Whether you are a budding artist or an enthusiastic learner, Fine Arts offers a space to experiment, innovate, and discover new perspectives.

With a commitment to fostering talent and nurturing creative confidence, Fine Arts opens doors to personal growth, cultural understanding, and limitless artistic possibilities.

Ultimately, Fine Arts is a celebration of human expression and the limitless potential of the imagination. It encourages us to see beauty in the everyday, challenge the familiar, and create work that resonates with others. Whether through bold strokes of paint, captivating performances, or thought-provoking installations, Fine Arts enriches our world and invites us to connect more deeply with ourselves and with others.

ABOUT

THE DEPARTMENT OF LAW

Our Vision

In terms of legal study and methods, the Department of Law at Gurugram University adopts a fairly contemporary stance. To help students become the greatest professionals in the legal sector, professors and lecturers make extra efforts to help them acquire very good communication skills, organisational skills, reasoning abilities, and observational skills. By the end of the course, Department of Law offers a variety of internship programmes to increase each student's exposure to the real world and provide time to foster their legal interest in whatever field of law they choose to specialise in.

Our Mission

- To deliver a comprehensive and interdisciplinary legal curriculum that emphasizes both theoretical understanding and practical application, including robust clinical legal research.
- To provide students with hands-on training that is deeply rooted in real-world scenarios, facilitated by industry professionals.
- To instill in our students a strong ethical foundation, essential for upholding the principles of justice and the rule of law.
- To offer a holistic educational experience that addresses not only academic pursuits but also the social, cultural, and emotional well-being of our students.

- Banking Law & Negotiable Instruments Act
- Socio Economic Offences
- Insolvency & Bankruptcy Law
- Humanitarian and Refugee Law
- Mergers and Acquisitions
- International Human Rights Law
- International Trade Law
- Women & Child Laws

ACHIEVEMENTS

National Conference : We are proud to highlight our students' participation in the national conference "Transforming Access to Justice: Innovations in Legal Aid Delivery" hosted by the ILC, Delhi University. The conference brought together legal scholars, practitioners, policymakers, and researchers to discuss modern advancements in legal aid and justice accessibility. Through interactive sessions and expert lectures, our students gained valuable exposure to innovative models of legal service delivery, technology enabled justice solutions, and current reforms shaping India's legal landscape. This experience greatly enhanced their academic depth, awareness, and professional competency.

Writ Petition Competition: We are proud to share that our students participated in the Writ Petition Competition organized at Gurugram University, an event designed to strengthen practical legal skills and promote constitutional literacy among budding professionals. Through hands on drafting exercises and case based problem solving, students gained valuable insights into filing writs, understanding judicial review, and applying legal principles to real-world scenarios. Their participation reflects our commitment to fostering advocacy skills, critical reasoning, and professional readiness.

GURUGRAM UNIVERSITY

Debate Competition: Our participants didn't just argue points; they learned to listen deeply, understand complex global issues from multiple perspectives, and articulate their views with both conviction and respect. They mastered the art of thinking on their feet, turning rapid critical analysis into compelling, well-structured arguments. The experience fostered a community of future leaders and informed citizens, capable of navigating disagreement constructively. The true measure of success lies not only in the final scores but in the lasting confidence, enhanced analytical skills, and profound appreciation for reasoned dialogue that every student carries forward, making them more effective communicators in every aspect of life.

GURUGRAM UNIVERSITY

Moot Court Competition: The Moot Court competition offered a rigorous, real-world simulation of appellate legal practice, transforming students into effective courtroom advocates. Participants went beyond theoretical knowledge to engage in deep legal research and meticulous case brief drafting, developing compelling arguments on complex, novel points of law. Crucially, they mastered the art of oral argument, learning to think and respond instantly under intense judicial questioning. This experience cultivated a generation of students with professional discipline, unparalleled analytical precision, and the poise necessary to present sophisticated arguments before a panel. The enduring achievement is the proven ability to translate complex legal theory into persuasive, practical advocacy, preparing our students not just to graduate, but to excel in the legal profession.

Our Moot Court team delivered an outstanding performance, demonstrating exceptional legal acumen by securing the 'Best Memorial' award for their meticulously researched written arguments. Participants mastered the art of appellate advocacy, confidently presenting complex legal theories and successfully navigating intense questioning from the judicial panel.

EDUCATIONAL VISITS

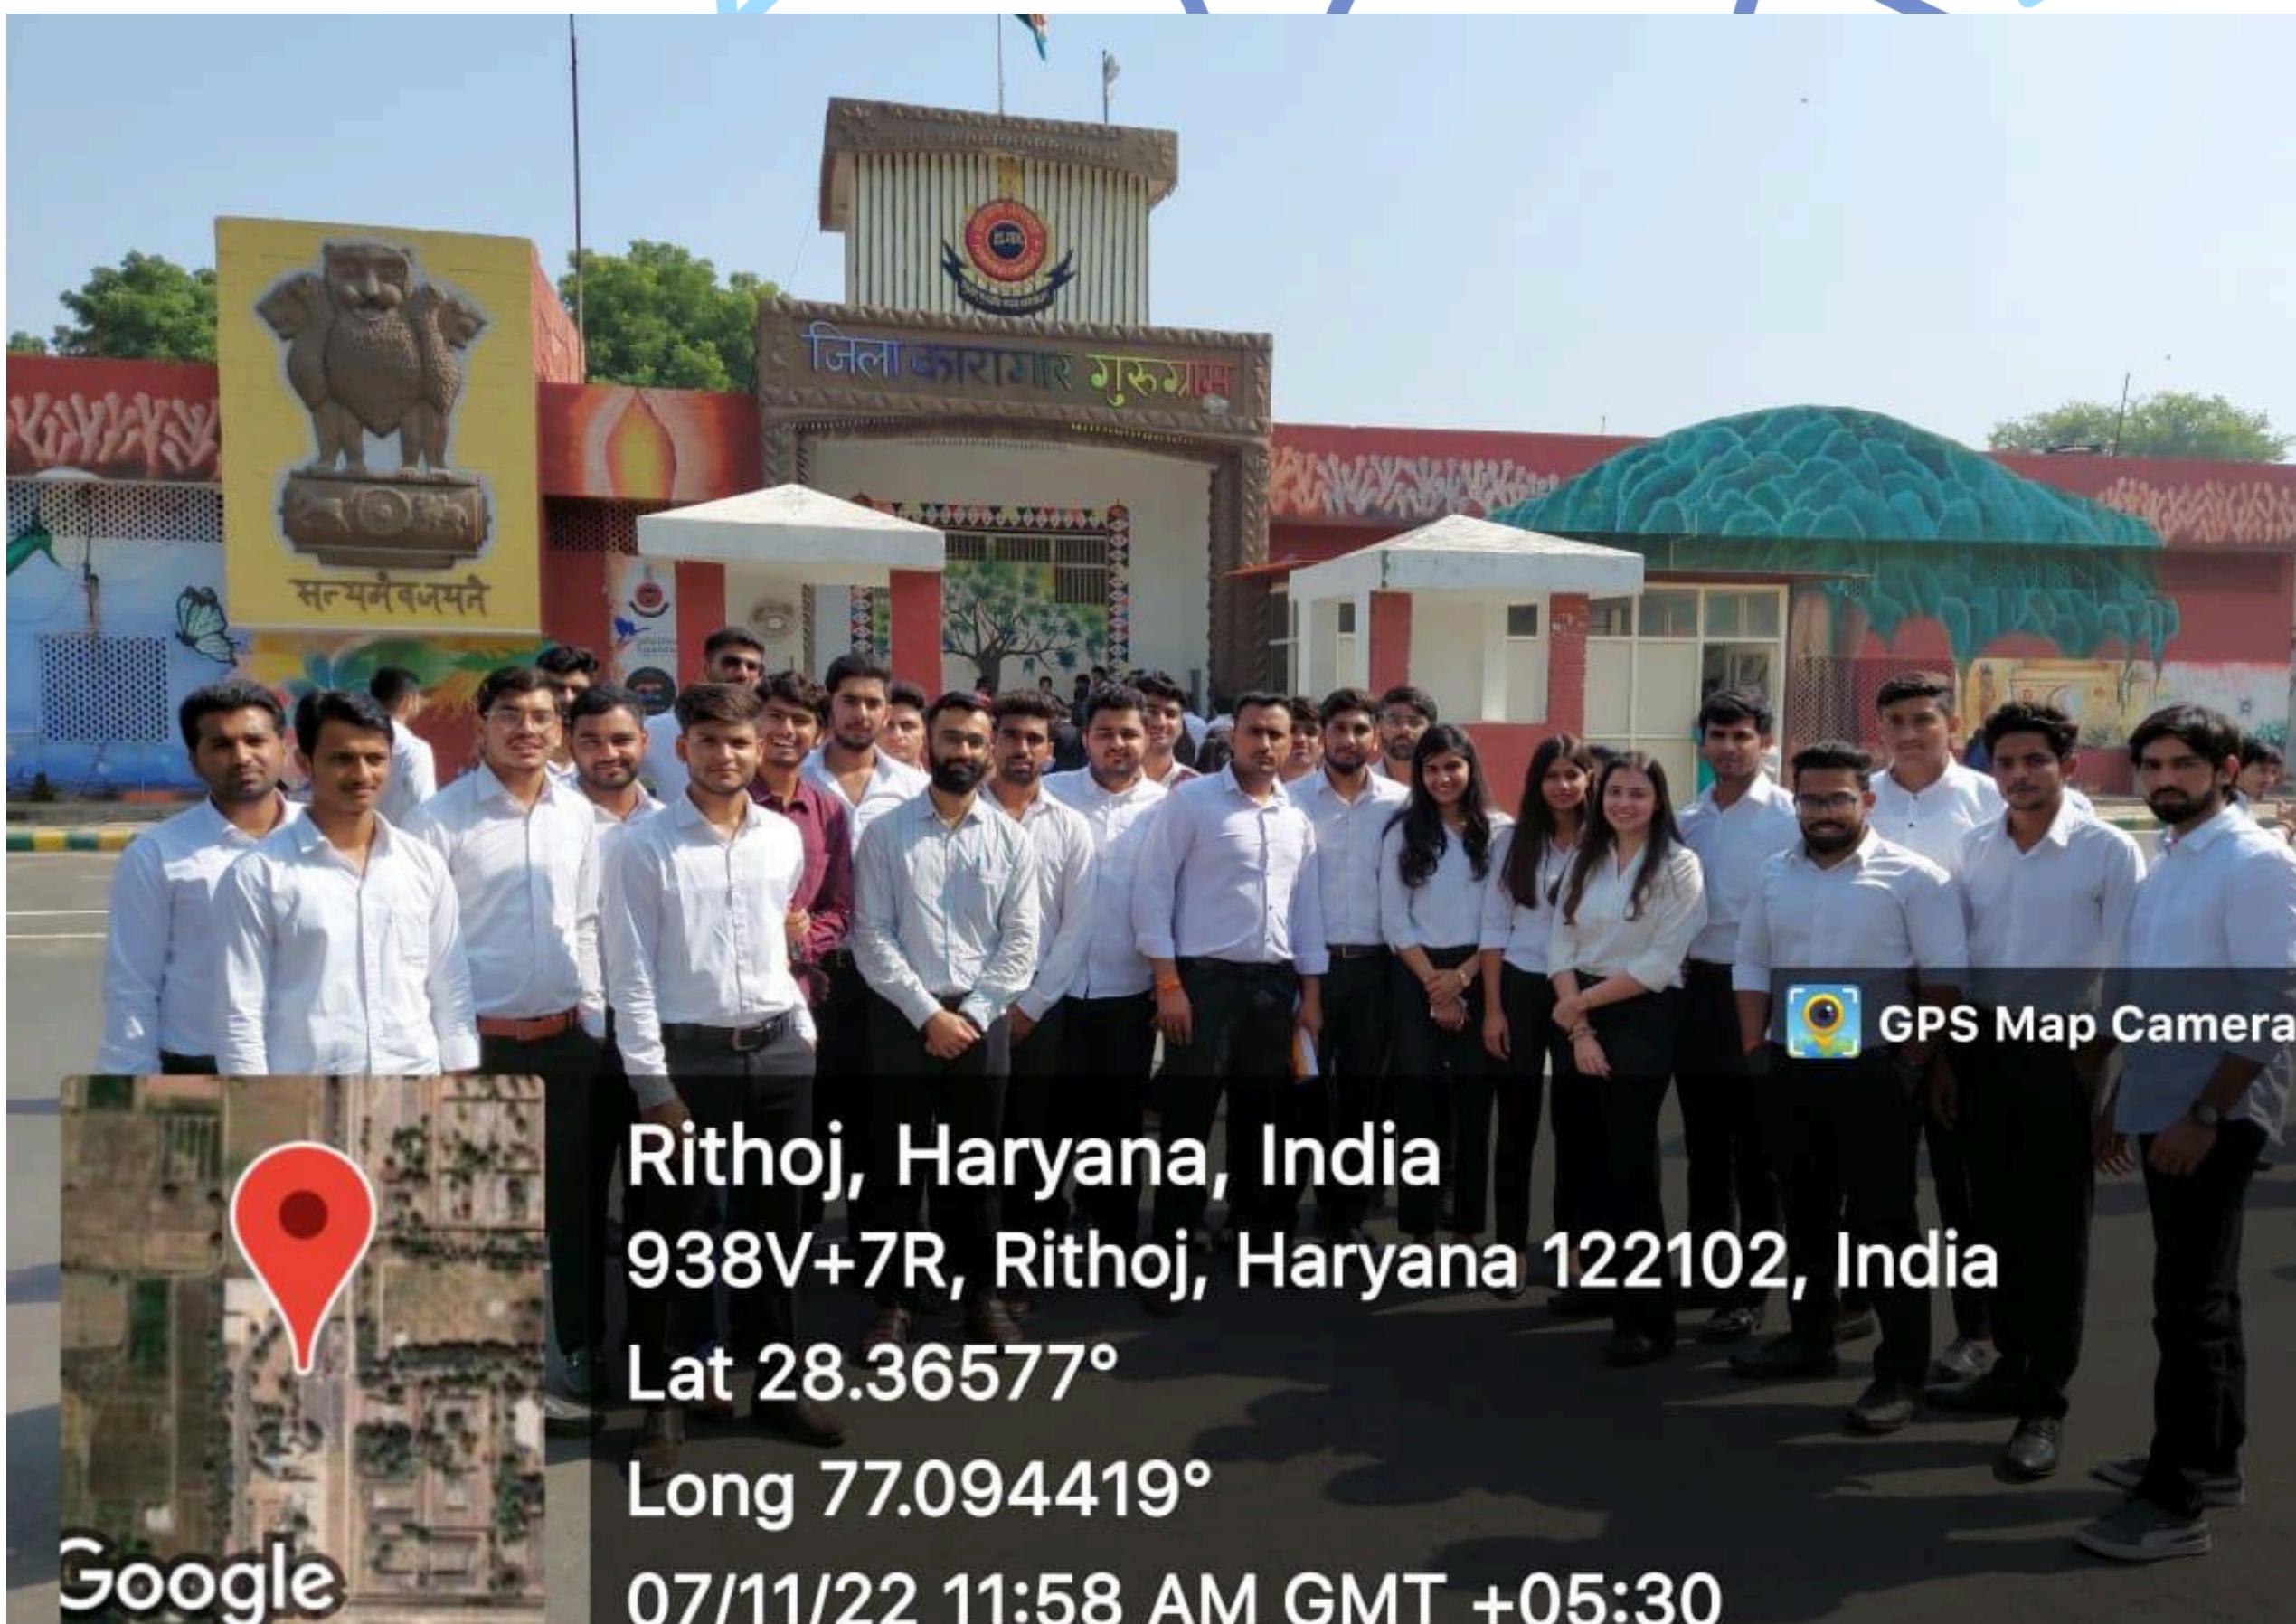

Visit to Supreme Court of India

A visit to the Supreme Court of India (SCI), specifically organized for students of the Department of Law at Gurugram University (GU), is a crucial component of their practical legal education. This exposure allows future legal professionals to transition from studying Constitutional Law and Procedure in textbooks to observing its live application in the nation's highest court.

Visit to National Judicial Museum & Archive

A visit by the Gurugram University (GU) Department of Law students to the National Judicial Museum & Archive is a vital educational trip that solidifies their classroom learning with historical and practical context. Located within the Supreme Court of India premises, the museum allows students to trace the evolution of the Indian judiciary from ancient times, through the British Raj, up to the present-day Supreme Court. The exhibits, which include historical artifacts, documents relating to landmark judgments (like the Keshavananda Bharati case), and court memorabilia, provide GU students with a tangible link to India's legal heritage and reinforce their understanding of the Constitution's development and legal milestones.

Visit to District Jail Gurugram

A visit by the Gurugram University (GU) Department of Law students to the District Jail, Gurugram (Bhondsi Jail) is a crucial component of their practical training in Criminal Law, Criminology, and Penology. These visits expose students to the realities of the Indian correctional system, allowing them to observe the conditions of both undertrials and convicts firsthand. They study the jail's focus on reformation and rehabilitation through vocational training, literacy programs, and recreational activities, moving beyond the punitive model. Crucially, such visits often involve the Department's engagement with the District Legal Services Authority (DLSA) to provide legal aid and awareness to inmates, fostering a sense of social responsibility among future legal professionals.

Visit to Lok Adalat

A visit to the Lok Adalat (People's Court), typically organized by the Gurugram University (GU) Department of Law in association with the District Legal Services Authority (DLSA), is essential for demonstrating Alternative Dispute Resolution (ADR) mechanisms. This practical exposure allows students to observe the resolution of disputes like Motor Vehicle Accident claims or family matters through conciliation and compromise, outside the formal, adversarial court system. The key learning is witnessing how Lok Adalats provide speedy, cost-effective justice with binding outcomes, reinforcing the GU Law Department's commitment to equipping students with skills in negotiation and mediation for a more accessible legal system.

Visit to Pollution Free - Fields Drive

A visit to a Pollution-Free Drive with the District Legal Services Authority (DLSA) is a unique action-oriented program for students of the Gurugram University (GU) Department of Law, blending environmental law awareness with civic engagement. Since the DLSA often launches campaigns like "Legal Awareness for Pollution-Free Fields," the collaboration allows students to directly participate in anti-pollution measures—such as clearing Construction & Demolition (C&D) waste, tackling plastic pollution, or running anti-stubble burning awareness drives for farmers. This practical involvement reinforces the legal principle of the Right to a Healthy Environment and teaches students the crucial role of the legal system in ensuring environmental compliance and public health in a heavily polluted region like Gurugram.

डीएलएसए और गुरुग्राम विश्वविद्यालय के नेतृत्व में हार्डिस्टिंग हार्मोनी अभियान

अमर भारती संवाददाता, गुरुग्राम। हरियाणा राज्य विधिक सेवा प्राधिकरण, पंचकूला के मार्गदर्शन में, जिला विधिक सेवा प्राधिकरण (डीएलएसए) गुरुग्राम द्वारा -हार्डिस्टिंग हार्मोनी- लीगल अवेयरनेस फॉर पॉल्यूशन-फी फील्ड्स- अभियान के तहत जिले में जागरूकता कार्यक्रम आयोजित किए जा रहे हैं। इस पहल का मुख्य उद्देश्य किसानों और स्थानीय समुदाय को पर्यावरण के प्रति फील्ड्स ड्राइव' का आयोजन किया। कार्यक्रम का फोकस दो प्रमुख मुद्दों-पराली जलाने की समस्या और प्लास्टिक के अत्यधिक उपयोग को रोकने-पर था। यह कार्यक्रम सेक्टर 90 मार्केट, हॉलिडे इन में आयोजित हुआ, जिसमें लगभग 40 छात्रों ने उत्साहपूर्वक भाग लिया। कार्यक्रम में जिला विधिक सेवा प्राधिकरण, लायंस क्लब और नगर निगम मानेसर ने सहयोग प्रदान किया। छात्रों

GURUGRAM UNIVERSITY

WORKSHOP ON CAREER AVENUES

A workshop on career avenues during orientation at Gurugram University (GU) is an integral part of its Training and Placement Department's efforts to enhance student employability. These sessions typically focus on exposing students to industry experts, emerging job market trends, and essential professional skills. They aim to provide practical training in areas like mock interviews, resume building, soft skills, and group discussions, directly preparing GU students for campus placements and making informed career decisions in competitive sectors.

GURUGRAM UNIVERSITY

CELEBRATION OF VIGILANCE AWARENESS WEEK

The Department of Law and other departments at Gurugram University (GU) actively observe Vigilance Awareness Week every year, a national initiative promoted by the Central Vigilance Commission (CVC). This week, typically held during the last week of October.

The celebration of Vigilance Awareness Week at Gurugram University (GU) focuses on the national theme, "Culture of Integrity for Nation's Prosperity".

The activities typically commence with the taking of the Integrity Pledge by students and staff. The week features events like essay and slogan writing competitions, and expert lectures on preventive vigilance, all designed to promote transparency, ethical conduct, and accountability among the campus community.

CELEBRATION OF SWATCHTA ACTION PLAN

The celebration of the Swachhata Action Plan (SAP) at Gurugram University (GU) is an extensive year-round commitment aimed at creating a clean, green, and sustainable campus environment. Key focus areas include waste management (segregation, recycling, plastic ban), water conservation (rainwater harvesting, water auditing), and sanitation and hygiene. Activities often involve mass participation through cleanliness drives (Swachhata Pakhwada), plantation drives, and awareness campaigns to internalize the principles of the Swachh Bharat Mission among students and faculty.

Building on this, GU is actively working to become the city's first zero-waste campus in collaboration with the Municipal Corporation of Gurugram. This is supported by a strict ban on single-use plastics and a push for reusable materials, particularly in canteens. The plan also incorporates Energy Management through regular audits and initiatives like the strategic use of solar energy and paperless communication to reduce the overall carbon footprint.

**GURUGRAM
UNIVERSITY**

ONE DAY WORKSHOP ON INTELLECTUAL PROPERTY RIGHTS & PATENT FILING

A one-day workshop on Intellectual Property Rights (IPR) and Patent Filing, when attended by students from Gurugram University (GU) at an external specialized institution, offers crucial cross-institutional exposure and practical skills training. The session focuses on equipping GU students with the knowledge to legally protect their research and innovative ideas by detailing the patent application process and the roles of Copyright and Trademark. This experience, featuring external IP experts, directly supplements GU's curriculum and reinforces the university's commitment to building a strong culture of innovation, research, and entrepreneurship among its future professionals.
