# **MESSAGE FROM VICE CHANCELLOR**

It gives me immense pleasure to extend a warm welcome on behalf of Gurugram University. We are deeply committed to nurturing talent, fostering innovation, and preparing our students to meet the evolving demands of the professional world.

Gurugram University strives to focus on streamlining our academic and administrative processes to enhance student welfare, employability, and holistic development. Our goal is to equip students not only with academic excellence but also with the professional ethics, practical exposure, and technical proficiency required to excel in today's competitive environment.

Situated in Gurugram—India's second-largest IT hub and a dynamic centre for finance, banking, healthcare, and emerging technologies—the University offers the unique advantage of industry proximity. This enables us to build strong collaborations with leading organizations, facilitating internships, training, and placement opportunities for our students.

We strive to create a vibrant ecosystem that encourages experiential learning, innovation, and leadership. Our transparent, student-centric administration and conducive learning environment ensure that every learner is empowered to realize their full potential.

I take great pride in presenting our students—driven, skilled, and ready to contribute meaningfully to the corporate world. We look forward to building enduring relationships with our industry partners and shaping a future of shared success.

**Prof. Sanjay Kaushik**

Vice-Chancellor,  
Gurugram University,  
Gurugram

## MESSAGE FROM REGISTRAR

It is my privilege to welcome potential recruiters to the Gurugram University Placement Program. At Gurugram University, we believe in equipping students with knowledge, creativity, and professional ethics to meet the evolving demands of industry and society. Through quality education, research initiatives, and strong industry collaborations, our graduates are prepared to face real-world challenges and contribute meaningfully to organizational and national development.

The Placement Cell, supported by our dedicated faculty, continually strives to foster meaningful partnerships with industries and create opportunities that shape successful professional journeys. I am confident that our students will display the same dedication, innovation, and values that define Gurugram University wherever they go. I convey my best wishes to all students for their career prospects and to the recruiting partners for a productive and long-lasting association with Gurugram University.

**Dr. Sanjay Arora**

Registrar

Gurugram University,

Gurugram

# MESSAGE FROM CHAIRPERSON

Physiotherapy today stands at the forefront of modern healthcare, addressing the rising burden of lifestyle-related disorders, musculoskeletal morbidities, neurological conditions, cardiopulmonary rehabilitation, and preventive health needs of the contemporary world. The profession is no longer confined to rehabilitation alone – it is a vital contributor to wellness, performance enhancement, and quality of life across all age groups.

At Gurugram University, the Physiotherapy program is designed with the highest academic and clinical rigor, nurturing students to become competent global healthcare professionals. Our curriculum is aligned with statutory frameworks and benchmarks of Haryana State Council for Physiotherapy (HSCP) and National Commission for Allied and Healthcare Profession (NCAHP), ensuring compliance with professional, ethical, and legal standards of practice.

What sets us apart is our future-ready approach – a unique blend of classroom learning, advanced clinical training and research exposure delivered by a distinguished mix of national and international faculty. Students gain access to diverse hospital postings, multidisciplinary collaborations, and cutting-edge methodologies, preparing them to excel across clinical, academic, research, corporate, and sports domains.

We believe in fostering not only professional competence but also values of integrity, empathy, and responsibility. Students of the Department of Physiotherapy at Gurugram University emerge as leaders of patient-centric care, innovators in healthcare delivery, and ambassadors of excellence on a global platform.

**Prof. (Dr.) Sanjeev Gupta**

Chairperson, Department of Physiotherapy  
Gurugram University, Gurugram

## DIRECTOR- EMPLOYABILITY MESSAGE

It gives me immense pleasure to present the Training and Placement Brochure of Gurugram University. At Gurugram University, we believe that education is not confined to classrooms—it extends to developing skills, nurturing talent, and preparing students for the real-world challenges of the professional environment.

Our Training and Placement Cell strives to bridge the gap between academia and industry by providing students with comprehensive career development support through skill enhancement programs, internships, workshops, and placement drives. We are committed to empowering our students with employability skills, professional ethics, and the confidence required to excel in today's competitive world.

Located in the heart of Gurugram, a thriving hub of technology, innovation, and enterprise, our students enjoy unique exposure to leading industries and organizations. We take pride in our collaborations with reputed companies and our growing network of corporate partners who continue to recognize and value the potential of our students.

I extend my best wishes to all our students for a bright and successful future and express my sincere gratitude to our industry partners for their continued trust and support.

**Dr. Charu Gandhi**  
Director Employability  
Gurugram University,  
Gurugram

## TRAINING & PLACEMENT OFFICER MESSAGE

Welcome to the Training and Placement Office (TPO) of Gurugram University – where dreams and opportunities intertwine.

At Gurugram University, we believe education is more than acquiring knowledge; it is the foundation for building a future full of possibilities. The TPO plays a vital role in transforming this belief into reality by guiding students towards meaningful and rewarding careers.

We are dedicated to shaping professionals who can excel in today's fast-evolving world. Through focused training sessions, career counseling, and strong industry collaborations, we equip students with the right blend of skills, confidence, and exposure. Our mission is to bridge the gap between academia and industry, ensuring that every student is career-ready and future-focused.

With an emphasis on innovation, integrity, and excellence, we strive to ignite aspirations, fuel ambitions, and create new pathways to success. Together, let's embark on this journey of growth and discovery—turning aspirations into achievements and building a future full of opportunities.

विद्या जीवनाय न तु जीवाय

**Dr. Aman Vashisth**

Training & Placement Officer,  
Gurugram University,  
Gurugram

# GURUGRAM UNIVERSITY

## "WHERE IT ALL STARTED"

Gurugram University, one of the youngest and fastest-growing state universities of Haryana, aspires to be a center of academic excellence and innovation. Established at the campus of Rao Tula Ram College of Science and Commerce, the University is located in Sector-51, Gurugram, spread across 11.5 acres of lush green surroundings.

Built on the twin pillars of Education and Research, the University fosters an environment where creativity and knowledge flourish. It is equipped with modern libraries, state-of-the-art laboratories, and is developing hostel, medical, transport, and residential facilities to provide world-class amenities.

With a vision to emerge as a global university, Gurugram University offers programs in diverse and cutting-edge fields such as Computer Science, Artificial Intelligence, Cyber Security, Law, Pharmacy, Physiotherapy, Nursing, and more.

In just a few years, the University has made remarkable progress — creating a transparent administration, advanced infrastructure, and a safe, student-friendly campus dedicated to character building, skill enhancement, and nation building.

**GURUGRAM  
UNIVERSITY**

# **INFRASTRUCTURE CAMPUS**

Gurugram University is strategically located in Gurugram, the vibrant corporate and technological hub often referred to as the "Millennium City" of India. The university's modern campus provides a dynamic environment that fosters innovation and professional growth, perfectly mirroring the city's fast-paced, high-tech ethos. Gurugram University features contemporary, well-equipped facilities, including smart classrooms with projectors, state-of-the-art laboratories, and a comprehensive central library designed to support advanced research and learning. The campus also provides excellent amenities such as sports facilities, seminar halls, and student common areas. With a strong emphasis on practical, industry-aligned education, Gurugram University leverages its location to offer students unparalleled opportunities for internships, industry interaction, and career placement in one of the country's leading economic centres.

## **CENTRAL LIBRARY**

The library provides a serene and technologically-equipped environment for focused study. It features comfortable seating arrangements for a significant number of readers and is equipped with Wi-Fi connectivity. Access to its physical holdings is facilitated through a robust Online Public Access Catalogue (OPAC). Furthermore, the library offers extensive digital resources, including subscriptions to numerous e-databases, e-journals, and e-books, ensuring students have 24/7 access to global research and information from both within the campus and remotely. This seamless integration of physical and digital resources makes it a vital hub for intellectual growth.

# GURUGRAM UNIVERSITY

## SPORTS

The Gurugram University campus actively promotes holistic development through its dedicated sports facilities, including courts for Basketball, Volleyball, Badminton, and Table Tennis. By offering various indoor and outdoor athletic opportunities, the university fosters a culture of physical well-being, teamwork, and competitive spirit among students, crucial for their overall growth.

## LABS

Gurugram University is equipped with state-of-the-art laboratories across its departments to provide students with essential hands-on experience and facilitate research. These modern labs, particularly in Sciences and Engineering, feature the latest equipment and specialized instruments. This ensures students can effectively conduct experiments and innovation-driven projects.

# GURUGRAM UNIVERSITY

## AUDITORIUM

The modern, air-conditioned auditorium at Gurugram University is the central venue for all major events. Equipped with advanced audio-visual systems and excellent acoustics, it is frequently used to host significant seminars, conferences, cultural performances, and university convocations, playing a key role in enriching the academic and social life of the campus.

## CLASSROOMS

Gurugram University is transitioning to a fully digital learning environment with smart classrooms throughout the campus. These rooms are modernly designed and equipped with LCD/LED projectors, high-speed Wi-Fi, and interactive digital boards. This technology facilitates blended learning, e-content delivery, and virtual interaction, ensuring an engaging and future-ready educational experience for all students and faculty.

## ABOUT THE DEPARTMENT OF PHYSIOTHERAPY

The Department of Physiotherapy at Gurugram University offers a 4-year undergraduate course (BPT) and post graduate courses ie. MPT in Orthopedics, Neurology, Cardiothoracic and pulmonary disorders and Sports Physiotherapy .The Department of Physiotherapy at Gurugram University is committed to excellence in clinical education and hands-on training. Our developing state-of-the-art laboratories and fully functional Outpatient Department are equipped with the latest modalities and therapeutic technologies, ensuring students gain practical experience aligned with current industry standards. With a strong focus on evidence-based practice, students engage in real-time patient care, advanced assessment techniques, and modern rehabilitation approaches. The department continues to expand its facilities to create a dynamic learning environment that nurtures skilled, confident, and compassionate physiotherapy professionals ready to meet the evolving healthcare needs of society.

## OUR VISION

To be a center of excellence in physiotherapy education, research, and clinical practice, committed to empowering students to become compassionate, skilled, and innovative healthcare professionals. Through high-quality teaching, state-of-the-art facilities, and a strong emphasis on evidence-based practice, the department strives to nurture critical thinking and clinical competence. Its mission is to contribute meaningfully to improved health outcomes, rehabilitation, and the overall well-being of society.

## OUR MISSION

- To impart high-quality, evidence-based physiotherapy education that integrates theory with clinical practice.
- To foster critical thinking, ethical values, and lifelong learning in students.
- To encourage research and innovation in the field of physiotherapy for advancing health sciences.
- To collaborate with healthcare institutions and industry partners for holistic professional development.

## INFRASTRUCTURE, FACILITIES AND OPD

The Gurugram University OPD facilities are equipped with advanced physiotherapy technologies, including Cryotherapy, Infrared Therapy, Microwave Diathermy machines for effective pain management and recovery. We also offer comprehensive Gait Analysis for accurate movement assessment. With modern and up-to-date technologies such as cryotherapy, ultrasound, TENS etc our OPD is fully equipped to treat patients and educate students for future uses.

**Gait analysis machine-** SynerSense offers the GaitSense system, a wearable, portable, and wireless gait analysis machine designed for clinical, sports, and workplace safety applications. It uses multi-sensor technology and machine learning to provide objective data on joint movements, posture, and walking patterns for conditions like orthopedic and neurological disorders.

Our OPD offers various machines that help in educating the students in various therapeutic techniques. From Heat therapy to Cold therapy, Students gain practical experience using the latest technology for effective assessment, treatment, and rehabilitation practices.

# GURUGRAM UNIVERSITY

This floor model Japanese OG Wellness Microwave Diathermy Machine is a powerful tool for deep tissue heating and pain relief. With its advanced technology, it delivers precise and effective treatment to targeted areas. Improve circulation, reduce inflammation, and promote healing with this professional-grade diathermy machine.

Cryo Air Cryotherapy Machine delivers professional-grade cold therapy treatment with precision temperature control. Designed for clinical settings, this advanced unit accelerates recovery, reduces inflammation, and manages pain effectively. Its ergonomic design ensures optimal treatment delivery while maintaining safety protocols required in medical environments. Engineered with durable components for consistent, reliable performance.

## PROGRAMS OFFERED (UG & PG)

### UNDERGRADUATE COURSES

#### Programme Details

**Name of the Course – Bachelor of Physiotherapy (B.PT)**

**Duration – 4.5 years (Yearly)**

**Intake – 66**

**Eligibility Criteria** – 10+2 Examination of Board of School Education, Haryana or of any other Board recognized as equivalent thereto, with a minimum of 50% marks (47.5% in case of SC/ST/ Divyang candidates of Haryana only) in the aggregate of Physics, Chemistry, Biology & English taken together. The candidate must have attained the age of 17 years on or before 31st December of the year of admission to the Course.

### POSTGRADUATE COURSES

#### Programme Details

**Name of the Course – Master of Physiotherapy (Orthopaedics)**

**Duration – 2 years (Yearly)**

**Intake – 11**

**Eligibility Criteria**– B.P.T. from a recognized university with minimum 50% marks in aggregate (47.5% in case of SC/ST/Divyang candidates of Haryana only), or any examination recognized as equivalent there to.

# GURUGRAM UNIVERSITY

## PROGRAMS OFFERED (UG & PG)

**Name of the Course – Master of Physiotherapy (Cardiothoracic and Pulmonary Disorder)**

**Duration – 2 years (Yearly)**

**Intake – 11**

**Eligibility Criteria –** B.P.T. from a recognized university with minimum 50% marks in aggregate (47.5% in case of SC/ST/Divyang candidates of Haryana only), or any examination recognized as equivalent there to.

**Name of the Course – Master of Physiotherapy (Neurology)**

**Duration – 2 years (Yearly)**

**Intake – 11**

**Eligibility Criteria–** B.P.T. from a recognized university with minimum 50% marks in aggregate (47.5% in case of SC/ST/Divyang candidates of Haryana only), or any examination recognized as equivalent there to.

**Name of the Course – Master of Physiotherapy (Sports)**

**Duration – 2 years (Yearly)**

**Intake – 11**

**Eligibility Criteria–** B.P.T. from a recognized university with minimum 50% marks in aggregate (47.5% in case of SC/ST/Divyang candidates of Haryana only), or any examination recognized as equivalent there to.

# GURUGRAM UNIVERSITY

## BACHELOR OF PHYSIOTHERAPY (B.PT)

### CURRICULUM

The curriculum is designed to provide a structured blend of four years of comprehensive theoretical learning and intensive practical exposure. This is further strengthened by a six-month clinical internship that enhances hands-on skills, professional confidence, and patient-care competence. Together, the program prepares students to become skilled, ethical, and industry-ready physiotherapy professionals equipped for advanced studies and diverse healthcare roles.

#### FIRST YEAR

- 1.Anatomy
- 2.Physiology
- 3.Biochemistry
- 4.Electrotherapy- I
- 5.Exercise therapy- I
- 6.Environmental Studies

#### SECOND YEAR

- 1.Pathology and Microbiology
- 2.Pharmacology
- 3.Electrotherapy- II
- 4.Exercise therapy- II
- 5.Biomechanics
- 6.Sociology and Psychology
- 7.Computer Application

#### THIRD YEAR

- 1.General Medicine
- 2.General Surgery
- 3.Orthopaedics
- 4.Physiotherapy in Cardio-Respiratory Conditions
- 5.Physiotherapy in Orthopaedic and Sports Conditions

#### FOURTH YEAR

- 1.Neurology
- 2.Paediatrics
- 3.Geriatrics
- 4.OBS & GYNÄE, ENT, Ophthalmology
- 5.Physiotherapy in Neurology
- 6.Physiotherapy in General Medical and Surgical Conditions
- 7.Rationale of Rehabilitation
- 8.Physiotherapy Ethics and Law
- 9.Research Methodology and Biostatistics

## MASTER OF PHYSIOTHERAPY (M.PT)

### CURRICULUM

The curriculum is designed to deliver advanced, domain-specific expertise through deep theoretical learning, high-level clinical reasoning, and rigorous evidence-based practice. With specializations such as Orthopaedics, Neurology, Cardiopulmonary Sciences, Sports, Paediatrics, Geriatrics, Community-Based Rehabilitation, and Women's Health, the program blends focused coursework, research, and clinical residencies. It prepares graduates to become expert clinicians, innovators, educators, and leaders shaping the future of rehabilitation science.

#### MPT FIRST PROFESSIONAL YEAR

1. Review of Basic Sciences I (Anatomy & Physiology)
2. Review of Basic Sciences II (Pathology & Pharmacology)
3. Applied Physiotherapy
4. Applied biomechanics & Ergonomics
5. Biostatistics and Research Methodology
6. Seminar/Case Presentations
7. Clinical Training

#### MPT SECOND PROFESSIONAL YEAR (ORTHOPAEDICS)

1. Assessment and Diagnosis of Musculoskeletal Conditions
2. Medical and Surgical Management of Musculoskeletal Conditions
3. Physiotherapy Management in Musculoskeletal Conditions
4. Professional Development & Ethics
5. Practical
6. Seminars/ Case Presentations
7. Dissertation Project work

## MASTER OF PHYSIOTHERAPY (M.PT)

### MPT SECOND PROFESSIONAL YEAR (NEUROLOGY)

1. Assessment and diagnosis of Neurological conditions
2. Medical and Surgical Management in Neurological conditions
3. Physiotherapy Management in Neurological conditions
4. Practical
5. Seminars/ Case Presentations
6. Dissertation Project Work

### MPT SECOND PROFESSIONAL YEAR (CARDIOTHORACIC & PULMONARY DISORDER)

1. Assessment and Diagnosis of cardiopulmonary conditions
2. Medical and surgical management of cardiopulmonary conditions
3. Physiotherapy management in cardiopulmonary conditions
4. Practical
5. Seminars/ Case Presentations
6. Dissertation Project Work

### MPT SECOND PROFESSIONAL YEAR (SPORTS)

1. Assessment and Diagnosis in Sports Injuries
2. Medical and Surgical Management of Sports Injuries
3. Physiotherapy Management in Sports Injuries
4. Professional Development and Ethics
5. Assessment Diagnosis and Treatment in Sports Injuries
6. Seminars/ Case Presentations
7. Dissertation Project Work

# CAREER OPPORTUNITIES

## 1. HOSPITALS

- Work in government or private hospitals.
- Treat patients with injuries, post-surgery rehabilitation, ICU CARE neurological and orthopedic cases.

## 2. CLINICS

- Join existing physiotherapy clinics or start your own.
- Provide OPD-based treatment for common conditions like back pain, neck pain, arthritis, etc.

## 3. REHABILITATION CENTERS

- Work with long-term patients recovering from stroke, spinal cord injuries, cerebral palsy, fractures, and post-operative cases.
- Focus on functional recovery and improving quality of life.

## 4. TEACHING / ACADEMICS

- Train students, conduct practical sessions, and contribute to research.
- Become a lecturer or tutor in physiotherapy colleges after higher studies (like MPT).

## 5. SPORTS PHYSIOTHERAPY

- Work with sports teams, athletes, sports academies, gyms, or stadiums.
- Manage sports injuries, taping, strengthening, injury prevention, and on-field emergency care.

## 6. GYMS / FITNESS CENTERS

- Help clients improve posture, mobility, flexibility, and strength.
- Provide rehab-based exercise training and injury prevention programs.

## 7. HOME VISITS / HOME CARE

- Provide physiotherapy sessions at the patient's home.
- Mostly helpful for elderly patients, post-surgery cases, or people who cannot travel.
