MESSAGE FROM VICE CHANCELLOR

It gives me immense pleasure to extend a warm welcome on behalf of Gurugram University. We are deeply committed to nurturing talent, fostering innovation, and preparing our students to meet the evolving demands of the professional world.

Gurugram University strives to focus on streamlining our academic and administrative processes to enhance student welfare, employability, and holistic development. Our goal is to equip students not only with academic excellence but also with the professional ethics, practical exposure, and technical proficiency required to excel in today's competitive environment.

Situated in Gurugram—India's second-largest IT hub and a dynamic centre for finance, banking, healthcare, and emerging technologies—the University offers the unique advantage of industry proximity. This enables us to build strong collaborations with leading organizations, facilitating internships, training, and placement opportunities for our students.

We strive to create a vibrant ecosystem that encourages experiential learning, innovation, and leadership. Our transparent, student-centric administration and conducive learning environment ensure that every learner is empowered to realize their full potential.

I take great pride in presenting our students—driven, skilled, and ready to contribute meaningfully to the corporate world. We look forward to building enduring relationships with our industry partners and shaping a future of shared success.

Prof. Sanjay Kaushik
Vice-Chancellor,
Gurugram University,
Gurugram

MESSAGE FROM REGISTRAR

It is my privilege to welcome potential recruiters to the Gurugram University Placement Program. At Gurugram University, we believe in equipping students with knowledge, creativity, and professional ethics to meet the evolving demands of industry and society. Through quality education, research initiatives, and strong industry collaborations, our graduates are prepared to face real-world challenges and contribute meaningfully to organizational and national development.

The Placement Cell, supported by our dedicated faculty, continually strives to foster meaningful partnerships with industries and create opportunities that shape successful professional journeys. I am confident that our students will display the same dedication, innovation, and values that define Gurugram University wherever they go. I convey my best wishes to all students for their career prospects and to the recruiting partners for a productive and long-lasting association with Gurugram University.

Dr. Sanjay Arora
Registrar
Gurugram University,
Gurugram

MESSAGE FROM CHAIRPERSON

It is a privilege to welcome you to Gurugram University. We are firmly committed to developing professionals who are confident, competent, and responsible—individuals prepared to navigate the complex demands of an increasingly competitive global environment. Since my association with the University, our focus is to elevate academic standards, encourage innovation, and ensure holistic growth for every student across all departments.

Our learning ecosystem blends strong theoretical grounding with practical, industry-aligned exposure. The goal is simple and non-negotiable: students should not just hold a degree—they should be genuinely ready for the workplace from the very first day. Situated in the centre of Gurugram, a major hub for technology, finance, startups, and corporate enterprise, the University naturally benefits from robust industry collaborations. These partnerships provide students with meaningful real-world experience, structured internships, and strong placement opportunities across diverse sectors.

We take pride in shaping graduates who excel professionally while upholding integrity, accountability, and ethical leadership. As our students begin their careers, I encourage them to carry forward these values and approach every challenge with determination and clarity.

I extend my best wishes for their continued growth, success, and positive impact in the years ahead.

Dr Seema Mehlawat
Chairperson
Gurugram University

DIRECTOR- EMPLOYABILITY MESSAGE

It gives me immense pleasure to present the Training and Placement Brochure of Gurugram University. At Gurugram University, we believe that education is not confined to classrooms—it extends to developing skills, nurturing talent, and preparing students for the real-world challenges of the professional environment.

Our Training and Placement Cell strives to bridge the gap between academia and industry by providing students with comprehensive career development support through skill enhancement programs, internships, workshops, and placement drives. We are committed to empowering our students with employability skills, professional ethics, and the confidence required to excel in today's competitive world.

Located in the heart of Gurugram, a thriving hub of technology, innovation, and enterprise, our students enjoy unique exposure to leading industries and organizations. We take pride in our collaborations with reputed companies and our growing network of corporate partners who continue to recognize and value the potential of our students.

I extend my best wishes to all our students for a bright and successful future and express my sincere gratitude to our industry partners for their continued trust and support.

Dr. Charu Gandhi
Director Employability
Gurugram University,
Gurugram

TRAINING & PLACEMENT OFFICER MESSAGE

Welcome to the Training and Placement Office (TPO) of Gurugram University – where dreams and opportunities intertwine.

At Gurugram University, we believe education is more than acquiring knowledge; it is the foundation for building a future full of possibilities. The TPO plays a vital role in transforming this belief into reality by guiding students towards meaningful and rewarding careers.

We are dedicated to shaping professionals who can excel in today's fast-evolving world. Through focused training sessions, career counseling, and strong industry collaborations, we equip students with the right blend of skills, confidence, and exposure. Our mission is to bridge the gap between academia and industry, ensuring that every student is career-ready and future-focused.

With an emphasis on innovation, integrity, and excellence, we strive to ignite aspirations, fuel ambitions, and create new pathways to success. Together, let's embark on this journey of growth and discovery—turning aspirations into achievements and building a future full of opportunities.

Dr. Aman Vashisth

Training & Placement Officer,
Gurugram University,
Gurugram

GURUGRAM UNIVERSITY

"WHERE IT ALL STARTED"

Gurugram University, one of the youngest and fastest-growing state universities of Haryana, aspires to be a center of academic excellence and innovation. Established at the campus of Rao Tula Ram College of Science and Commerce, the University is located in Sector-51, Gurugram, spread across 11.5 acres of lush green surroundings.

Built on the twin pillars of Education and Research, the University fosters an environment where creativity and knowledge flourish. It is equipped with modern libraries, state-of-the-art laboratories, and is developing hostel, medical, transport, and residential facilities to provide world-class amenities.

With a vision to emerge as a global university, Gurugram University offers programs in diverse and cutting-edge fields such as Computer Science, Artificial Intelligence, Cyber Security, Law, Pharmacy, Physiotherapy, Nursing, and more.

In just a few years, the University has made remarkable progress — creating a transparent administration, advanced infrastructure, and a safe, student-friendly campus dedicated to character building, skill enhancement, and nation building.

THE SMART CHOICE

Gurugram University's Department of Commerce has established itself as a centre that blends strong academics with real industry relevance. The department continuously updates its curriculum, teaching methods, and industry engagement to match the fast-changing corporate landscape of the NCR.

With commerce demanding more than theory, the department ensures students gain practical exposure through industry mentors, case-based learning, internships, and hands-on assignments. This prepares them to excel in competitive roles.

The Training & Placement Office strengthens this ecosystem by partnering with companies across finance, consulting, FMCG, e-commerce, banking, audit, HR, marketing, and analytics. The focus is on securing roles that match students' strengths and long-term goals, enabling placements in both established and fast-growing organisations.

Students are also groomed in resume development, communication, interviews, analytical skills, and workplace professionalism, ensuring they meet industry expectations with confidence.

Choosing the Department of Commerce is not just choosing a degree—it's choosing a career direction. Students who come with ambition leave equipped with competence, clarity, and confidence to build successful careers.

DEPARTMENT OF COMMERCE

The Department of Commerce was established in 2018 and started with M. Com. (2 year), M.Com 5 year (Integrated) Programmes in its year of inception. The doctoral programme in Commerce has been launched since 2021-22. These programmes prepare the students for a rewarding career in academia at top business organizations and institutions around the world. These programs have three broader areas of study: Accounting & Finance, Marketing and HRM. The teaching pedagogy is the learner/student centric, ICT enabled, case study, project based, continuous assessment, comprehensive and realistic evaluation. Within a short span of four years, we are able to establish ourselves as a Centre of Excellence with a focus on teaching, education, Research and campus placements. The Department has adequate well qualified, competent faculty with vast knowledge and experience from the academic and industry. The teachers are dedicated to academic and overall development of the student community which adds ablaze in their excellent performances in competitive examinations like NET/JRF as well as outstanding participation in various cultural, sports, literary activities organized at university level where they always stand at top three ranks.

VISION :

- To educate and equip the innovative and competent human resource who will be globally suitable for industry, business and service sector

MISSION :

- To deliver knowledge through quality education and encourage the students for professional career in accounting, finance, research, consultancy
- To promote the entrepreneurial capabilities among students
- To build life skills through value based education and service oriented programmes.

CORE VALUES :

- Entrepreneurship Development, self resilience, Integrity, knowledge, innovation and research

OBJECTIVES :

- To educate and train the students with appropriate skills which will empower them to face the professional challenges
- To promote all round personality development of the students
- To inculcate moral values & commitment toward the society

INFRASTRUCTURE

CAMPUS

Gurugram University is strategically located in Gurugram, the vibrant corporate and technological hub often referred to as the "Millennium City" of India. The university's modern campus provides a dynamic environment that fosters innovation and professional growth, perfectly mirroring the city's fast-paced, high-tech ethos. Gurugram University features contemporary, well-equipped facilities, including smart classrooms with projectors, state-of-the-art laboratories, and a comprehensive central library designed to support advanced research and learning. The campus also provides excellent amenities such as sports facilities, seminar halls, and student common areas. With a strong emphasis on practical, industry-aligned education, Gurugram University leverages its location to offer students unparalleled opportunities for internships, industry interaction, and career placement in one of the country's leading economic centres.

CENTRAL LIBRARY

The library provides a serene and technologically-equipped environment for focused study. It features comfortable seating arrangements for a significant number of readers and is equipped with Wi-Fi connectivity. Access to its physical holdings is facilitated through a robust Online Public Access Catalogue (OPAC). Furthermore, the library offers extensive digital resources, including subscriptions to numerous e-databases, e-journals, and e-books, ensuring students have 24/7 access to global research and information from both within the campus and remotely. This seamless integration of physical and digital resources makes it a vital hub for intellectual growth.

GURUGRAM UNIVERSITY

SPORTS

The Gurugram University campus actively promotes holistic development through its dedicated sports facilities, including courts for Basketball, Volleyball, Badminton, and Table Tennis. By offering various indoor and outdoor athletic opportunities, the university fosters a culture of physical well-being, teamwork, and competitive spirit among students, crucial for their overall growth.

GURUGRAM UNIVERSITY

AUDITORIUM

The modern, air-conditioned auditorium at Gurugram University is the central venue for all major events. Equipped with advanced audio-visual systems and excellent acoustics, it is frequently used to host significant seminars, conferences, cultural performances, and university convocations, playing a key role in enriching the academic and social life of the campus.

CLASSROOMS

Gurugram University is transitioning to a fully digital learning environment with smart classrooms throughout the campus. These rooms are modernly designed and equipped with LCD/LED projectors, high-speed Wi-Fi, and interactive digital boards. This technology facilitates blended learning, e-content delivery, and virtual interaction, ensuring an engaging and future-ready educational experience for all students and faculty.

LEARNING OUTSIDE THE CLASSROOM

COMMERCE CLUB

The Commerce Club of Gurugram University, Gurugram, is one of the most vibrant and intellectually active student bodies functioning under the Department of Commerce. Established with the vision of nurturing academic excellence, leadership qualities, and holistic development among students, the Club provides a dedicated platform for learning beyond the classroom. It aims to bridge the gap between theoretical understanding and practical application, enabling students to explore the dynamic fields of commerce, finance, management, economics, and entrepreneurship in an engaging and innovative manner.

The fundamental objective of the Commerce Club is to cultivate an environment where students can enhance their analytical abilities, communication skills, and managerial competencies. Through a series of well-structured and student-centered activities, the Club encourages learners to think critically, present confidently, and participate actively in academic and social initiatives. The Club also strives to instill values of teamwork, responsibility, discipline, and ethical decision-making qualities essential for success in the commercial and corporate world. At Gurugram University, the Commerce Club organizes numerous academic, co-curricular, and socially-relevant events throughout the year. These include seminars, workshops, essay competitions, quiz contests, business plan activities, meditation sessions, documentary screenings, awareness campaigns, and cleanliness drives.

**GURUGRAM
UNIVERSITY**

COMMERCE CLUB

One of the key strengths of the Commerce Club lies in its focus on experiential and participative learning. Students get the opportunity to plan, coordinate, and execute events under the guidance of faculty mentors, especially the Convener and Chairperson of the Department. This exposure helps them develop leadership qualities, organizational skills, problem-solving abilities, and confidence in public interactions. Guest lectures by industry professionals, research scholars, and experts from various fields further broaden students' perspectives and help them stay updated with current industry trends.

COMMERCE CLUB

S.No.	Programme	Date	Objective	Key Outcomes
1	Union Budget 2025 – Key Highlights Discussion	5 Feb 2025	To help students understand major announcements, taxation changes, allocations, and economic implications of the Union Budget 2025.	Students gained clarity on budget policies, sectoral impacts, and national economic priorities.
