# MESSAGE FROM VICE CHANCELLOR

It gives me immense pleasure to extend a warm welcome on behalf of Gurugram University. We are deeply committed to nurturing talent, fostering innovation, and preparing our students to meet the evolving demands of the professional world. Gurugram University strives to focus on streamlining our academic and administrative processes to enhance student welfare, employability, and holistic development. Our goal is to equip students not only with academic excellence but also with the professional ethics, practical exposure, and technical proficiency required to excel in today's competitive environment. Situated in Gurugram—India's second-largest IT hub and a dynamic centre for finance, banking, healthcare, and emerging technologies—the University offers the unique advantage of industry proximity. This enables us to build strong collaborations with leading organizations, facilitating internships, training, and placement opportunities for our students. We strive to create a vibrant ecosystem that encourages experiential learning, innovation, and leadership. Our transparent, student-centric administration and conducive learning environment ensure that every learner is empowered to realize their full potential. I take great pride in presenting our students—driven, skilled, and ready to contribute meaningfully to the corporate world. We look forward to building enduring relationships with our industry partners and shaping a future of shared success.

**Prof. Sanjay Kaushik**  
Vice-Chancellor,  
Gurugram  
University,  
Gurugram

## MESSAGE FROM REGISTRAR

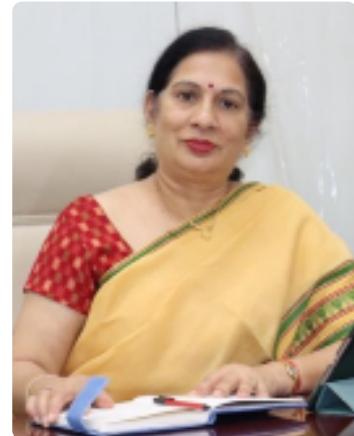

It is my privilege to welcome potential recruiters to the Gurugram University Placement Program. At Gurugram University, we believe in equipping students with knowledge, creativity, and professional ethics to meet the evolving demands of industry and society. Through quality education, research initiatives, and strong industry collaborations, our graduates are prepared to face real-world challenges and contribute meaningfully to organizational and national development. The Placement Cell, supported by our dedicated faculty, continually strives to foster meaningful partnerships with industries and create opportunities that shape successful professional journeys. I am confident that our students will display the same dedication, innovation, and values that define Gurugram University wherever they go. I convey my best wishes to all students for their career prospects and to the recruiting partners for a productive and long-lasting association with Gurugram University.

**Dr. Sanjay Arora**  
Registrar  
Gurugram  
University,  
Gurugram

# MESSAGE FROM CHAIRPERSON

It is a privilege to welcome you to the Gurugram University. We are firmly committed to developing professionals who are confident, competent, and responsible—individuals prepared to navigate the complex demands of an increasingly competitive global environment. Since my association with the University, our focus is to elevate academic standards, encourage innovation, and ensure holistic growth for every student across all departments. Our learning ecosystem blends strong theoretical grounding with practical, industry-aligned exposure. The goal is simple and non-negotiable: students should not just hold a degree—they should be genuinely ready for the workplace from the very first day. Situated in the centre of Gurugram, a major hub for technology, finance, startups, and corporate enterprise, the University naturally benefits from robust industry collaborations. These partnerships provide students with meaningful real-world experience, structured internships, and strong placement opportunities across diverse sectors. We take pride in shaping graduates who excel professionally while upholding integrity, accountability, and ethical leadership. As our students begin their careers, I encourage them to carry forward these values and approach every challenge with determination and clarity. I extend my best wishes for their continued growth, success, and positive impact in the years ahead.

**Prof. Neera Verma**  
**Chairperson**  
**Department of Economics**  
**Gurugram University**

## DIRECTOR- EMPLOYABILITY MESSAGE

It gives me immense pleasure to present the Training and Placement Brochure of Gurugram University. At Gurugram University, we believe that education is not confined to classrooms—it extends to developing skills, nurturing talent, and preparing students for the real-world challenges of the professional environment. Our Training and Placement Cell strives to bridge the gap between academia and industry by providing students with comprehensive career development support through skill enhancement programs, internships, workshops, and placement drives. We are committed to empowering our students with employability skills, professional ethics, and the confidence required to excel in today's competitive world. Located in the heart of Gurugram, a thriving hub of technology, innovation, and enterprise, our students enjoy unique exposure to leading industries and organizations. We take pride in our collaborations with reputed companies and our growing network of corporate partners who continue to recognize and value the potential of our students. I extend my best wishes to all our students for a bright and successful future and express my sincere gratitude to our industry partners for their continued trust and support.

**Dr. Charu Gandhi**  
Director Employability  
Gurugram  
University,  
Gurugram

## TRAINING & PLACEMENT OFFICER MESSAGE

Welcome to the Training and Placement Office (TPO) of Gurugram University – where dreams and opportunities intertwine.

At Gurugram University, we believe education is more than acquiring knowledge; it is the foundation for building a future full of possibilities. The TPO plays a vital role in transforming this belief into reality by guiding students towards meaningful and rewarding careers.

We are dedicated to shaping professionals who can excel in today's fast-evolving world. Through focused training sessions, career counseling, and strong industry collaborations, we equip students with the right blend of skills, confidence, and exposure. Our mission is to bridge the gap between academia and industry, ensuring that every student is career-ready and future-focused.

With an emphasis on innovation, integrity, and excellence, we strive to ignite aspirations, fuel ambitions, and create new pathways to success. Together, let's embark on this journey of growth and discovery—turning aspirations into achievements and building a future full of opportunities.

### **Dr. Aman Vashisth**

Training & Placement Officer,  
Gurugram University,  
Gurugram

## "WHERE IT ALL STARTED"

Gurugram University, one of the youngest and fastest-growing state universities of Haryana, aspires to be a center of academic excellence and innovation. Established at the campus of Rao Tula Ram College of Science and Commerce, the University is located in Sector-51, Gurugram, spread across 11.5 acres of lush green surroundings. Built on the twin pillars of Education and Research, the University fosters an environment where creativity and knowledge flourish. It is equipped with modern libraries, state-of-the-art laboratories, and is developing hostel, medical, transport, and residential facilities to provide world-class amenities. With a vision to emerge as a global university, Gurugram University offers programs in diverse and cutting-edge fields such as Computer Science,

Artificial Intelligence, Nursing, and more. In just a few years, the University has made remarkable progress — creating a transparent administration, advanced infrastructure, and a safe, student-friendly campus dedicated to character building, skill enhancement, and nation building.

# **DEPARTMENT OF ECONOMICS**

The Department of Economics was established in the year 2019 with the vision to equip economics graduates with strong theoretical foundation along with industrial and corporate experience to train them for future employment in multinational companies apart from research organizations and academic institutions.

The Department is currently running Master's Program in Applied Economics with two choices of specializations, i.e., Finance and International Trade and Business. M.A in Applied Economics is a uniquely designed program that focuses on the application of economic theories in diverse array of occupations. The Department is facilitated with well qualified academicians from top central and state universities of India with notable The students are encouraged to take in organizations different organizations for corporate and research training. The Department has a student society "ARTHASHATRA: NURTURING ECOPRENEURS", which aims to enhance understanding of economic concepts through workshops and events, skill development and career guidance, supporting research activities, organizing outreach programs and fostering collaborations for practical exposure. The Department invites distinguished speakers from reputed national and international organizations for interactions with students regularly. The society not only encourages leadership among students through events and projects, but also inculcates entrepreneurial skills through industrial visits. The alumni of this Department have successfully qualified the UGC NET and JRF exams and many are working with different companies.

## **VISION :**

To emerge as a prestigious center of teaching and research in theoretical & applied economics including latest areas in the field requiring an interdisciplinary approach.

## **MISSION :**

The mission of the Department is to become a magnet for young scholars in the field of economics who contribute to a better understanding of economic realities and their impact on today's society. Specifically, we strive to:

- Prepare students to acquire applied knowledge of economics to enhance their employability and entrepreneurship.
- Engage students with broader social issues to promote informed policy decisions.
- Focus on the development of communication and analytical skills for holistic personality development of students.
- Train students in advanced economic analysis with the help of latest software commonly used by business/corporates.
- Encourage both basic and applied research in economics that pushes the frontiers of knowledge in the field for inclusive development

**GURUGRAM  
UNIVERSITY**

# **INFRASTRUCTURE**

## **CAMPUS**

Gurugram University is strategically located in Gurugram, the vibrant corporate and technological hub often referred to as the "Millennium City" of India. The university's modern campus provides a dynamic environment that fosters innovation and professional growth, perfectly mirroring the city's fast-paced, high-tech ethos. Gurugram University features contemporary, well-equipped facilities, including smart classrooms with projectors, state-of-the-art laboratories, and a comprehensive central library designed to support advanced research and learning. The campus also provides excellent amenities such as sports facilities, seminar halls, and student common areas. With a strong emphasis on practical, industry-aligned education, Gurugram University leverages its location to offer students unparalleled opportunities for internships, industry interaction, and career placement in one of the country's leading economic centres.

## **CENTRAL LIBRARY**

The library provides a serene and technologically-equipped environment for focused study. It features comfortable seating arrangements for a significant number of readers and is equipped with Wi-Fi connectivity. Access to its physical holdings is facilitated through a robust Online Public Access Catalogue (OPAC). Furthermore, the library offers extensive digital resources, including subscriptions to numerous e-databases, e-journals, and e-books, ensuring students have 24/7 access to global research and information from both within the campus and remotely. This seamless integration of physical and digital resources makes it a vital hub for intellectual growth.

# GURUGRAM UNIVERSITY

## AUDITORIUM

The modern, air-conditioned auditorium at Gurugram University is the central venue for all major events. Equipped with advanced audio-visual systems and excellent acoustics, it is frequently used to host significant seminars, conferences, cultural performances, and university convocations, playing a key role in enriching the academic and social life of the campus.

## CLASSROOMS

Gurugram University is transitioning to a fully digital learning environment with smart classrooms throughout the campus. These rooms are modernly designed and equipped with LCD/LED projectors, high-speed Wi-Fi, and interactive digital boards. This technology facilitates blended learning, e-content delivery, and virtual interaction, ensuring an engaging and future-ready educational experience for all students and faculty.

# GURUGRAM UNIVERSITY

## SPORTS

The Gurugram University campus actively promotes holistic development through its dedicated sports facilities, including courts for Basketball, Volleyball, Badminton, and Table Tennis. By offering various indoor and outdoor athletic opportunities, the university fosters a culture of physical well-being, teamwork, and competitive spirit among students, crucial for their overall growth.

**GURUGRAM  
UNIVERSITY**

# LEARNING OUTSIDE THE CLASSROOM

## ARTHASHASTRA : NURTURING ECO-PRENEURS

Arthashastra, the economic society at the Department of Economics, Gurugram University, likely aims to foster an environment for students and professionals to engage in discussions, research, and activities related to economics. The main objectives of the society are as follows:

- Promoting a deeper understanding of economic concepts, theories, and their real-world applications.
- Organizing outreach programs, seminars, and public lectures to raise awareness and understanding of economic issues within the wider community.
- Fostering collaborations with other academic applications through workshops, discussions, and academic events.
- Providing opportunities for skill development, career guidance, and networking within the field of economics.
- Encouraging and supporting research activities, providing a platform for students and faculty to publish their findings in economic studies. Institutions, industry professionals, and experts in the field to enhance the learning and practical exposure of its members.
- Encouraging leadership qualities and fostering initiatives among students by organizing events, competitions, and projects related to economics.

# M.A. APPLIED ECONOMICS

## CURRICULUM

The M.A.in Applied Economics at Gurugram University is a two-year program focusing on theoretical foundations and practical exposure to economic concepts. Core subjects include Microeconomics, Macroeconomics, Mathematics for Economics, Statistics for Economics, Econometrics, Development Economics, and International Economics. The program offers specializations in Finance and International Trade and Business, along with practical exposure through internships and a dissertation.
