MESSAGE FROM VICE CHANCELLOR

It gives me immense pleasure to extend a warm welcome on behalf of Gurugram University. We are deeply committed to nurturing talent, fostering innovation, and preparing our students to meet the evolving demands of the professional world.

Gurugram University strives to focus on streamlining our academic and administrative processes to enhance student welfare, employability, and holistic development. Our goal is to equip students not only with academic excellence but also with the professional ethics, practical exposure, and technical proficiency required to excel in today's competitive environment.

Situated in Gurugram—India's second-largest IT hub and a dynamic centre for finance, banking, healthcare, and emerging technologies—the University offers the unique advantage of industry proximity. This enables us to build strong collaborations with leading organizations, facilitating internships, training, and placement opportunities for our students.

We strive to create a vibrant ecosystem that encourages experiential learning, innovation, and leadership. Our transparent, student-centric administration and conducive learning environment ensure that every learner is empowered to realize their full potential.

I take great pride in presenting our students—driven, skilled, and ready to contribute meaningfully to the corporate world. We look forward to building enduring relationships with our industry partners and shaping a future of shared success.

Prof. Sanjay Kaushik

Vice-Chancellor,
Gurugram University,
Gurugram

MESSAGE FROM REGISTRAR

It is my privilege to welcome potential recruiters to the Gurugram University Placement Program. At Gurugram University, we believe in equipping students with knowledge, creativity, and professional ethics to meet the evolving demands of industry and society. Through quality education, research initiatives, and strong industry collaborations, our graduates are prepared to face real-world challenges and contribute meaningfully to organizational and national development.

The Placement Cell, supported by our dedicated faculty, continually strives to foster meaningful partnerships with industries and create opportunities that shape successful professional journeys. I am confident that our students will display the same dedication, innovation, and values that define Gurugram University wherever they go. I convey my best wishes to all students for their career prospects and to the recruiting partners for a productive and long-lasting association with Gurugram University.

विद्या जीवनाय न तु जीविताय

Dr. Sanjay Arora
Registrar
Gurugram University,
Gurugram

DIRECTOR- EMPLOYABILITY MESSAGE

It gives me immense pleasure to present the Training and Placement Brochure of Gurugram University. At Gurugram University, we believe that education is not confined to classrooms—it extends to developing skills, nurturing talent, and preparing students for the real-world challenges of the professional environment.

Our Training and Placement Cell strives to bridge the gap between academia and industry by providing students with comprehensive career development support through skill enhancement programs, internships, workshops, and placement drives. We are committed to empowering our students with employability skills, professional ethics, and the confidence required to excel in today's competitive world.

Located in the heart of Gurugram, a thriving hub of technology, innovation, and enterprise, our students enjoy unique exposure to leading industries and organizations. We take pride in our collaborations with reputed companies and our growing network of corporate partners who continue to recognize and value the potential of our students.

I extend my best wishes to all our students for a bright and successful future and express my sincere gratitude to our industry partners for their continued trust and support.

Dr. Charu Gandhi
Director Employability
Gurugram University,
Gurugram

TRAINING & PLACEMENT OFFICER MESSAGE

Welcome to the Training and Placement Office (TPO) of Gurugram University – where dreams and opportunities intertwine.

At Gurugram University, we believe education is more than acquiring knowledge; it is the foundation for building a future full of possibilities. The TPO plays a vital role in transforming this belief into reality by guiding students towards meaningful and rewarding careers.

We are dedicated to shaping professionals who can excel in today's fast-evolving world. Through focused training sessions, career counseling, and strong industry collaborations, we equip students with the right blend of skills, confidence, and exposure. Our mission is to bridge the gap between academia and industry, ensuring that every student is career-ready and future-focused.

With an emphasis on innovation, integrity, and excellence, we strive to ignite aspirations, fuel ambitions, and create new pathways to success. Together, let's embark on this journey of growth and discovery—turning aspirations into achievements and building a future full of opportunities.

Dr. Aman Vashisth

Training & Placement Officer,
Gurugram University,
Gurugram

MESSAGE FROM CHAIRPERSON

It gives me immense pleasure to present the Placement Brochure of the Department of Education, Gurugram University. This document is a reflection of our unwavering commitment to academic excellence, professional integrity, and holistic development.

At the Department of Education, we believe in nurturing educators who are not only skilled professionals but also compassionate human beings and transformative leaders. Our programmes are designed to blend theory with practice, tradition with innovation, and values with vision — preparing our students to meet the dynamic challenges of the 21st-century educational landscape.

Through experiential learning, internships, community engagement, and exposure to digital and AI-enhanced pedagogies, our students evolve into reflective practitioners, innovative thinkers, and socially responsible citizens. I take this opportunity to invite schools, colleges, NGOs, and educational organizations to partner with us in providing meaningful career opportunities for our talented learners. I am confident that our students will contribute with dedication, creativity, and a spirit of lifelong learning wherever they go. Let us together shape a future where education continues to be the most powerful instrument of transformation.

Prof. (Dr.) Sonam Bansal

Chairperson, Department of Education
Gurugram University,
Gurugram

"WHERE IT ALL STARTED"

Gurugram University, one of the youngest and fastest-growing state universities of Haryana, aspires to be a center of academic excellence and innovation. Established at the campus of Rao Tula Ram College of Science and Commerce, the University is located in Sector-51, Gurugram, spread across 11.5 acres of lush green surroundings.

Built on the twin pillars of Education and Research, the University fosters an environment where creativity and knowledge flourish. It is equipped with modern libraries, state-of-the-art laboratories, and is developing hostel, medical, transport, and residential facilities to provide world-class amenities.

With a vision to emerge as a global university, Gurugram University offers programs in diverse and cutting-edge fields such as Computer Science, Artificial Intelligence, Cyber Security, Law, Pharmacy, Physiotherapy, Nursing, and more.

In just a few years, the University has made remarkable progress — creating a transparent administration, advanced infrastructure, and a safe, student-friendly campus dedicated to character building, skill enhancement, and nation building.

**GURUGRAM
UNIVERSITY**

INFRASTRUCTURE

CAMPUS

Gurugram University is strategically located in Gurugram, the vibrant corporate and technological hub often referred to as the "Millennium City" of India. The university's modern campus provides a dynamic environment that fosters innovation and professional growth, perfectly mirroring the city's fast-paced, high-tech ethos. Gurugram University features contemporary, well-equipped facilities, including smart classrooms with projectors, state-of-the-art laboratories, and a comprehensive central library designed to support advanced research and learning. The campus also provides excellent amenities such as sports facilities, seminar halls, and student common areas. With a strong emphasis on practical, industry-aligned education, Gurugram University leverages its location to offer students unparalleled opportunities for internships, industry interaction, and career placement in one of the country's leading economic centres.

CENTRAL LIBRARY

The library provides a serene and technologically-equipped environment for focused study. It features comfortable seating arrangements for a significant number of readers and is equipped with Wi-Fi connectivity. Access to its physical holdings is facilitated through a robust Online Public Access Catalogue (OPAC). Furthermore, the library offers extensive digital resources, including subscriptions to numerous e-databases, e-journals, and e-books, ensuring students have 24/7 access to global research and information from both within the campus and remotely. This seamless integration of physical and digital resources makes it a vital hub for intellectual growth.

GURUGRAM UNIVERSITY

SPORTS

The Gurugram University campus actively promotes holistic development through its dedicated sports facilities, including courts for Basketball, Volleyball, Badminton, and Table Tennis. By offering various indoor and outdoor athletic opportunities, the university fosters a culture of physical well-being, teamwork, and competitive spirit among students, crucial for their overall growth.

LABS

Gurugram University is equipped with state-of-the-art laboratories across its departments to provide students with essential hands-on experience and facilitate research. These modern labs, particularly in Sciences and Engineering, feature the latest equipment and specialized instruments. This ensures students can effectively conduct experiments and innovation-driven projects.

GURUGRAM UNIVERSITY

AUDITORIUM

The modern, air-conditioned auditorium at Gurugram University is the central venue for all major events. Equipped with advanced audio-visual systems and excellent acoustics, it is frequently used to host significant seminars, conferences, cultural performances, and university convocations, playing a key role in enriching the academic and social life of the campus.

CLASSROOMS

Gurugram University is transitioning to a fully digital learning environment with smart classrooms throughout the campus. These rooms are modernly designed and equipped with LCD/LED projectors, high-speed Wi-Fi, and interactive digital boards. This technology facilitates blended learning, e-content delivery, and virtual interaction, ensuring an engaging and future-ready educational experience for all students and faculty.

ABOUT THE DEPARTMENT OF EDUCATION

Our Vision

Guided by the University's motto Vidya Jeevnaynatu Jivikay — Education is for life, not merely for livelihood — the Department of Education envisions fostering lifelong learners who are critically aware, socially responsible, and equipped to drive transformative change. The Department seeks to nurture students who not only engage with contemporary educational debates but also develop innovative solutions to real-world challenges.

Our Mission

- To foster critical engagement with educational theories and practices, particularly within the Indian socio-cultural context.
- To cultivate a deep understanding of the continuum between theory and practice through interdisciplinary perspectives.
- To situate educational discourses within diverse socio-political, historical, and cultural frameworks.
- To promote research-based inquiry under expert mentorship that addresses emerging needs in the field of education.

<i>M.A. in Education</i>	2 Years (Full-time)	<ul style="list-style-type: none">• Medium: English & Hindi• NEP 2020-aligned curriculum• Focus on experiential learning & fieldwork• Integrates liberal and professional education• Prepares for careers in teaching, curriculum design, and policy
<i>Ph.D. in Education</i>	Research-based	<ul style="list-style-type: none">• Interdisciplinary & field-based research• Collaboration with national institutions• Addresses contemporary educational challenges• Research-driven academic rigour

Career Opportunities for our Students

Teaching and Academic Careers

School-Level Teaching (Senior Secondary / PGT)

An M.A. in Education qualifies graduates to become Post Graduate Teachers (PGTs) in schools, especially when combined with a B.Ed. This role includes:

- Designing lesson plans
- Creating learner-centric classroom environments
- Guiding students in academic and co-curricular areas

Opportunities include:

Government schools (KVS, NVS, Army Schools), private schools, residential schools.

Teacher Educator (TEI / B.Ed. Colleges)

M.A. Education + NET opens doors to work as:

- Assistant Professor in Education
- Teacher Educator in DIETs, SCERTs, CTEs, or private B.Ed. colleges

Teacher educators train future teachers, develop teaching modules, demonstrate pedagogies, and supervise teaching practice.

Higher Education & University Teaching

With NET/JRF and later Ph.D., you can build a career as:

- Lecturer
- Assistant/Associate Professor
- Research supervisor

PUBLISHING, CONTENT WRITING, AND ACADEMIC EDITING

Educational publishing houses hire:

- Content developers
- Textbook writers
- Reviewers
- Academic editors
- Copy editors

CURRICULUM DEVELOPER / INSTRUCTIONAL DESIGNER

EdTech companies, publishing houses, and schools look for professionals who can:

- Design structured curriculum
- Develop learning materials (textbooks, modules, worksheets)
- Integrate pedagogical approaches
- Incorporate NEP 2020 requirements

E-LEARNING SPECIALIST

- With digital education expanding, roles include:
- Creating online courses
- Designing multimedia content
- Blending pedagogy with technology
- Using tools like Articulate, Storyline, Moodle

CAREER IN NGOS, SOCIAL SECTOR, AND INTERNATIONAL DEVELOPMENT

Possible roles:

- Project Coordinator
- Education Specialist
- Training & Capacity Building Expert
- Community Education Officer
- Field Coordinator

EDUCATIONAL LEADERSHIP AND ADMINISTRATION

SCHOOL ADMINISTRATION

An M.A. in Education prepares graduates for leadership roles such as:

- School Principal / Vice-Principal
- Academic Coordinator
- Head of Department
- Pedagogical Leader

They manage staff, oversee curriculum implementation, maintain discipline, coordinate with parents, and ensure institutional development.

INSTITUTIONAL LEADERSHIP IN HIGHER EDUCATION

Roles include:

- Program Coordinator
- Dean of Academics
- Education Programme Manager
- Quality Assurance Manager
